

We value your privacy

USE OF COOKIES

We inform you that this website installs its own and third-party cookies when visiting its pages. If you go on surfing, we will consider you accepting its use. Cookies are non-executable text files intended to store any type of information about the user. We use these files to facilitate browsing and obtain statistical data.

WHAT KIND OF COOKIES DOES THIS WEBSITE USE?

Technical cookies: these are those that allow the user to navigate through a web page, platform or application and the use of the different options or services that exist in it.

Personalization cookies: are those that allow the user to access the service with some predefined general characteristics based on a series of criteria in the user's terminal.

Analysis cookies: are those that allow the monitoring and analysis of the behavior of the users of the websites to which they are linked. The information collected through this type of cookies is used to measure the activity of websites, applications or platforms and to create browsing profiles for users of said sites, applications and platforms, in order to introduce improvements in function of the analysis of the usage data made by the users of the service.

WHO USES AND HAS ACCESS TO THE INFORMATION OF THE COOKIES WE INSTALL?

Only the owner of this website and MIRAI ESPAÑA, S.L., the company that provides site maintenance and analysis services to the site owner, use and have access to its cookies. Third parties that have stored cookies on your computer will have access to them.

HOW TO MANAGE YOUR COOKIE PREFERENCES?

Most browsers automatically accept the use of cookies, but you can configure your browser not to accept them or to have the browser notify you when a server wants to save a cookie. You can do it by checking: Internet Explorer, Chrome, Firefox, Safari iOS, Android, BlackBerry
